

CRICKET AUSTRALIA RETURN TO PLAYING PROTOCOLS

19 May 2020

It is important that these protocols are interpreted in line with any measures also being imposed by your State or Territory Government.

GENERAL PROTOCOLS TO RETURN TO PLAYING

- Clubs must adhere to physical distancing, gathering limits and follow the principle of 'Get in, Play, Get out'.
- Clubs must follow the hygiene protocols and practices outlined below.
- Clubs must restrict access to club rooms and changerooms, other than toilets

HYGIENE PROTOCOLS TO RETURN TO PLAYING

- Alcohol based hand sanitiser is available for all matches, with participants encouraged to use prior, during and following matches.
- There is no sharing of water bottles, players are to bring their own water bottles where possible and these are to be cleaned before and after matches.
- There is to be no spitting or clearing of nasal passages at before, during or after matches.
- There is to be no contact between participants, coaches and volunteers - avoid high fives, hand shakes or any physical contact
- Players are to arrive ready to play - avoid use of changerooms
- Do not attend matches if you, or you have come into contact with someone else, are displaying flu-like symptoms or have been in contact with a known case of COVID-19 in the past 14 days.
- Ensure plenty of bins are provided and tissues placed in bin immediately

GENERAL HYGIENE PRACTICES

- Wash your hands often with soap and water for at least 20 seconds - if not available, use an alcohol based hand sanitiser
- Do not touch your eyes, nose or mouth if your hands are not clean
- Stay home and seek medical treatment when you are unwell
- Avoid close contact with other people who are unwell
- Cover your mouth and nose with a tissue or sneeze into your elbow rather than your hands

Cricket Australia strongly recommends that all participants, coaches, volunteers and parents utilise the COVIDSAFE app to trace the spread of COVID-19
